

Dear Member/Green Fee Player,

In light of the current environment we live in, the Committee has made a decision to cancel our Wednesday and Saturday Competitions from 21st March, to 13th April, 2020.

Be assured it has not made this decision lightly. It is felt that the safety of members is paramount and continuing to run weekly competitions places members at a greater risk. As you are aware, being a sand scrape course presents many more challenges than a grass green course in regards to physical contact with scrapers, flags, putting cups, etc. which increases the risk to members.

We will not be closing the course to green fee players and members who wish to have a hit. We recommend you take all necessary precautions to keep yourself and others safe. Before coming to our course, please check you are complying with Golf Australia's latest communication on this link: <https://www.golf.org.au/covid-19>

For most recent COVID-19 information, please refer to the Australian Government Department of Health link below:

<https://www.health.gov.au/news/health-alerts/novel-cornoavirus-2019-ncov-health-alert>

We appreciate your understanding in these uncertain times. We will review the situation again before the 13th April and communicate how we will proceed.

Kind regards,

Dianne Morgan (Hon. Secretary)
